MESOTHERAPY & PRP

Product Catalogue

estebien.

Hair care, oral care, mesotherapy and PRP — in one brand.

Estebien is a brand that brings hair care, oral & dental care and mesotherapy & PRP products together. This catalogue presents the 18 products of its three lines with their key features, set contents and pack details.

The Mesotherapy & PRP line is for professional use only.

READING THIS CATALOGUE

Each product page gives the product's name, a short description, its key features, how it is used and its product code. For full directions, ingredients and warnings, see the pack and the product page at estebienlab.com.

PRODUCT CODE EST-KIT-6M

Full directions, ingredients and warnings are on the pack and on the product page at estebienlab.com.

HOW TO USE

6 Month Hair Care Kit

Shampoo
Massage into wet hair, leave on for a few minutes and rinse. Suitable for daily use.

Hair Serum Complex
Apply half a vial every fifteen days; do not wash your hair for 12 hours afterwards. On operated areas, start 30 days after the procedure.

Hair Vitamin
1 tablet a day, preferably after a meal, with water.

Repair Cream
Once daily for ten days on the operated areas; no rinsing.

Hair And Scalp Care Oil
3 to 4 puffs half an hour before showering, massage for 3 minutes, then rinse; 3 to 4 times a week.

Derma Roller
On a clean scalp, as often as your doctor or clinic recommends.

SHAMPOOS

Anti Hair Loss Strengthening Shampoo 200 ml

With its natural ingredients, it supports healthy hair growth and helps form strong hair roots resistant to hair loss.

HIGHLIGHTS

- Contains biotin, keratin and white lupin.
- Supports healthy hair growth.
- Helps form strong hair roots resistant to hair loss.
- Suitable for daily use.

HOW TO USE

Apply to wet hair by massaging with your fingertips. Leave it on for a few minutes, then rinse thoroughly. You may repeat the process several times if desired. Suitable for daily use.

WHO IT'S FOR	For all hair types; men and women.
PRODUCT CODE	EST-SHP-200
BARCODE	0765105774163

Full directions, ingredients and warnings are on the pack and on the product page at estebienlab.com.

Hair Serum Complex 10 cc

With the growth factor it contains, it reaches the hair follicles and helps build strong, high-quality hair strands; its vitamins and minerals help hair grow faster.

HIGHLIGHTS

- Contains a growth factor (sh-Polypeptide-3) and Biotinoyl Tripeptide-1.
- Helps build strong, high-quality hair strands.
- Contains panthenol, biotin, niacin and caffeine.
- Half a vial every fifteen days; one vial lasts about a month.

HOW TO USE

Open the cap of the vial with scissors or a similar tool and attach the dropper cap to make it ready for use. In areas where surgery has been performed, start using it 30 days after the procedure. Apply half of a serum bottle every fifteen days. Do not wash your hair for 12 hours after application.

WHO IT'S FOR	Suitable for all hair types.
PRODUCT CODE	EST-SER-10
BARCODE	0765105774224

Full directions, ingredients and warnings are on the pack and on the product page at estebienlab.com.

SERUMS

Hair Strengthening Spray 60 ml

With its intensive herbal formula, it helps repair the hair and scalp while supporting the formation of stronger, more resilient, and healthier hair strands.

HIGHLIGHTS

- Hair and scalp care.
- Supports stronger, more resilient and healthier hair strands.
- Contains panthenol, biotin, niacin and more than twenty plant extracts.
- Applied twice daily; no rinsing.

HOW TO USE

Apply twice daily to clean and dry hair. Hold the spray close to the scalp and apply 6 sprays between the hair strands. Distribute the product using your fingertips and gently massage into the scalp. Do not rinse.

WHO IT'S FOR	Suitable for all hair types.
PRODUCT CODE	EST-SPR-60
BARCODE	0765105774217

Full directions, ingredients and warnings are on the pack and on the product page at estebienlab.com.

Hair Vitamins

Food supplement tablets containing plant extracts, vitamins and minerals. For men and women; 1 tablet a day.

Hair Vitamin 90 Tablets

- 1 tablet a day; 90 tablets last 90 days.

PRODUCT CODE	EST-VIT-90

HIGHLIGHTS

- Food supplement with plant extracts, vitamins and minerals.
- 180 mg saw palmetto extract, 3000 µg biotin and 600 µg folic acid per tablet.
- With the amino acids L-lysine, L-cysteine, L-serine and L-methionine.
- For men and women.

Hair Vitamin 60 Tablets

- 1 tablet a day; 60 tablets last 60 days.

PRODUCT CODE	EST-VIT-60

HOW TO USE

It is recommended for adults to take 1 tablet daily, preferably after meals, by swallowing it with water.

Full directions, ingredients and warnings are on the pack and on the product page at estebienlab.com.

Hair And Scalp Care Oil 50 ml

It contains herbal oils that help repair the scalp and support faster and thicker hair growth.

- Contains argan oil, calendula oil and ozonized olive oil.
- Helps repair the scalp.
- Supports faster and thicker hair growth.

HOW TO USE

Spray 3 to 4 puffs onto the scalp half an hour before showering. Massage gently for about 3 minutes, then rinse thoroughly. Apply 3 to 4 times a week.

PRODUCT CODE	EST-OIL-50
BARCODE	0765105774170

Repair Cream 50 ml

It helps reduce possible irritation by moisturizing the hair and scalp, and helps prevent the formation of dryness and flaking.

- Contains chitosan, allantoin and panthenol.
- Moisturizes the hair and scalp.
- Helps reduce possible irritation.

HOW TO USE

Apply a small amount of Estebien Repair Cream to your hand and gently rub it onto the operated areas until absorbed. No rinsing is required. Repeat once daily for ten days.

PRODUCT CODE	EST-CRM-50
BARCODE	0765105774187

Full directions, ingredients and warnings are on the pack and on the product page at estebienlab.com.

SCALP CARE

Derma Roller 540 Needles

Derma roller with 540 needles and an ergonomic handle, for scalp use within the Estebien hair care routine.

HIGHLIGHTS

- Roller head with 540 needles.
- Ergonomic handle.
- Also included in the Estebien 6 Month Hair Care Kit.
- For personal use only.

HOW TO USE

Clean and disinfect the roller head before and after each use. Roll it lightly over a clean, dry scalp without pressing. Follow the advice of your doctor or hair clinic on how often to use it. Once dry, store it in its box.

WHO IT'S FOR	For personal use by adults.
PRODUCT CODE	EST-DRM-540

Full directions, ingredients and warnings are on the pack and on the product page at estebienlab.com.

PRODUCT CODE	EST-SET-ORAL
BARCODE	0765105774590

Full directions, ingredients and warnings are on the pack and on the product page at estebienlab.com.

HOW TO USE

Professional Oral Care Kit

Advanced Oral Support Tablets
2 tablets a day for adults, with plenty of water.

Mouthwash Tablets
1 tablet per use (one tablet = one dose).

Use the other products according to the directions on their own packaging.

TOOTHPASTES

Sensitive Care Toothpaste Lemon Flavored 130 g

Lemon-flavoured sensitive care toothpaste with a professional formula, in a 130 g pump dispenser.

Full directions, ingredients and warnings are on the pack and on the product page at estebienlab.com.

HIGHLIGHTS

- Developed for sensitive teeth.
- Lemon flavoured.
- Professional formula.
- Pump dispenser, 130 g.

HOW TO USE

Apply a suitable amount of product onto your toothbrush. Brush your teeth twice daily for at least 2 minutes using gentle circular motions. Rinse your mouth thoroughly after brushing. Replace your toothbrush regularly or as recommended by your dental professional.

WHO IT'S FOR	For adults with sensitive teeth.
PRODUCT CODE	EST-TPS-130

ORAL CARE

Advanced Oral Support Tablets 60 Tablets

Helps maintain oral and dental health. A food supplement with a vitamin complex; 2 tablets a day for adults.

HIGHLIGHTS

- Helps maintain oral and dental health.
- Supports gum and tooth health.
- Fresh breath support.
- Contains a vitamin complex.

HOW TO USE

Adults: Take 1 tablet twice daily, preferably after meals, with a glass of water.

WHO IT'S FOR	For adults.
PRODUCT CODE	EST-AOS-60

Full directions, ingredients and warnings are on the pack and on the product page at estebienlab.com.

ORAL CARE

Mouthwash Tablets Lemon Flavored 90 Tablets

Lemon-flavoured mouthwash tablets: one tablet is one dose. Sugar free, alcohol free and paraben free; no liquids, easy to carry.

Full directions, ingredients and warnings are on the pack and on the product page at estebienlab.com.

HIGHLIGHTS

- One tablet = one dose.
- Fast-dissolving formula.
- Sugar free, alcohol free, paraben free.
- Long-lasting fresh breath.

HOW TO USE

Use twice daily, preferably after brushing your teeth. Suitable for ages 12 and over. Method 1: Chew one tablet thoroughly, rinse your mouth for approximately 30 seconds and spit out. Method 2: Dissolve one tablet in approximately 50 ml of drinking water, rinse your mouth for approximately 30 seconds and spit out.

WHO IT'S FOR	For the daily oral care routine.
PRODUCT CODE	EST-MWT-90

ORAL CARE

Professional Oral Spray 30 ml

A professional oral spray with natural mint freshness for fresh breath, with a long nozzle for practical use.

HIGHLIGHTS

- Fresh breath every day.
- Natural mint freshness.
- Practical to use thanks to the long spray nozzle.
- Professional formula.

HOW TO USE

Apply 2–4 sprays into the mouth or onto the desired area. Preferably use after meals or after your oral hygiene routine. Do not use more than twice daily. For best results, avoid eating or drinking for approximately 15 minutes after application.

WHO IT'S FOR	For the daily oral care routine.
PRODUCT CODE	EST-OSP-30

Full directions, ingredients and warnings are on the pack and on the product page at estebienlab.com.

ORAL CARE
